5.3.3 Number of Sports and cultural events/competitions in which students of the institution participated during the year (organized by the institution/other institution)

SPORTS 2023-24

A champion is someone who gets up when he can't."—Jack Dempsey

Playing sports can teach valuable life lessons and foster a sense of discipline, camaraderie & belonging. These are values we look at inculcating within our students to develop a holistic disposition. With this objective, we arrange annual sports day.

The ceremony began with a student march following the flag raising and the institution's anthem for the day. In her energizing and motivating introductory address, Dr. Rukshana Billimoria discussed the need of fostering in the pupils a sense of sportsmanship and their general development. The college's general secretary and assistant general secretary took the pledge after developing a passion for athletics and a love of reading.

At the start of the 100 meter race, The College Principal announced the start of the event. Dr. Rukshana Billomoria signaled the beginning of the race with a clap. On the track, heart-pounding races took place, while in the sports arena, thrilling long jump, shot put, and discus throw competitions took place. The tug-of-war competition was very exciting as participants displayed their physical prowess and feeling of teamwork.

The day concluded with an awards ceremony where medals, certificates and trophies were given to the winners in several categories. But while they supported one another and acknowledged everyone's hard effort, the players' genuine sportsmanship was clear.

CIRCULAR

Circular No. :- IHM/Cultural/2023-2024/

Date: 10th July, 2023

World paper bag day is observed globally on 12th July every year. This day is dedicated to celebrating the use of paper bags as an eco- friendly alternative to plastic bags.

They are eco friendly option for packaging and carrying items because they are made from renewable resources and are easily recyclable, unlike plastic bags which don't decompose and not only cause pollution but also harm the flora and fauna.

To support this social cause, we at Anjuman -I -Islam's IHM, have also organized a paper bag making competition.

Rules for the same are as follows:

1. Only recycled paper must be used.
2. Pre - preparation of any article will lead to disqualification.
3. Any decorative material can be used for making the paper bag.
4. Suitable tag line depicting the theme is compulsory.

Time: 2.30 pm - 3.30 pm.

Venue: Dining Area 1

We hope maximum participation of the students for this social celebration of World Paper Bag Day.
